

3rd Grade Supply List (2025-2026)

Some things will be community supplies. No need to label with names.

Please know every student will receive the supplies they need to learn, so anything you are able to send in from this list is appreciated! We will let you know throughout the year if any supplies get low. Please only write your child's name on their pencil boxes and headphones. The rest we will write their names on. ♥
